Dear Messrs. Oropallo and Thomas, et al

This is to acknowledge receipt of your (Mr. Paul's) email communication sent on behalf of Mr. Oropallo and the Club. Please be advised that by way of this response, I will forward your email communication to my program clients and managers. Please be further advised that I will need to confer with them to find out their availability and which of the dates and times you provided works best for EPA's representatives.

In addition, it may be helpful to see a proposed agenda for the meeting to advise EPA what specific issues Mr. Oropallo and you would like to discuss with EPA, and which EPA can add any issues EPA would like to discuss with Mr. Oropallo and the Club representatives.

Upon receipt of the proposed agenda, and after conferring with my program clients and managers, I hope to be able to respond to you at my earliest opportunity. Thank you.

Sincerely,

Melva J. Hayden

Subject: Lansing Rod and Gun Club (Lansing, NY) -- Docket No. RCRA-02-2016-7301 -- Request for Extension of Order on Consent deadlines [IWOV-ACTIVE.FID1716645]

Importance: High

Dear Ms. Hayden,

In my law partner Mike Oropallo's absence, in accordance with what I understand to be a cooperative working relationship between the Lansing Rod and Gun Club and EPA, and given the need to abandon the Club's original plan due to extenuating circumstances, we write to respectfully request an extension of all deadlines contained in the Administrative Order on Consent ((Docket No. RCRA-02-2016-7301). This extension will allow the Club to finalize its land use processes with the Town of Lansing and to otherwise implement the reconfiguration of the shooting fields (in accordance with previous communications) and along with the Environmental Stewardship Plan.

Please let me or Mike know if we need to submit a proposed Amendment, or if you would like to further discuss the issue.

Thank you for your consideration and attention.

Regards,

Andrew J. Leja
